COOL & SPORTY DESIGN

GS3 EMZOOM is a bold, stylish SUV designed for trendsetter who appreciate its futuristic, sculpted and angular design.

LASER EYE SPLIT LED HEADLAMPS

All LED headlamps are designed respectively at lower and upper positions; In particular, the daytime running lamp is located at a high position, which can better play the role of warning, while the low headlamp provides legible light without obstructing oncoming vehicles.

REAR SPOILER + LED REAR LAMP

Dynamic, stylish and engineered to stand out – the GS3 EMZOOM looks fast, even standing still.

ELECTRIC FLUSH DOOR HANDLES

Sleek, Effortless Entry. Electric hidden door handles enhancing aerodynamics, style and convenience with a futuristic touch. Featuring a Walk-to and Walk-away Locking System that activates as you approach or leave the vehicle.

18" ALLOY WHEELS

Bold stance, confident handling. Enhance the vehicle's presence and provides responsive control on the road. The integrated TPMS provides real-time tire pressure monitoring to ensure optimal driving safety
